GOLF

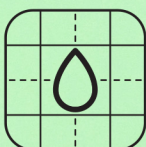

2023

Targeted compression in the arch provides superior comfort and support.

Anatomical design enhances fit and reduces the risk of blisters.

iWick fibers move moisture to keep feet cool and dry.

Keep your head in the game. We've got your feet.

There's a reason why Features are the sock of choice for elite runners all over the world – they keep their feet comfortable and blister-free while pushing themselves to the max. Now the benefits from the trail can be felt on the course.
